CODE OF IOWA**

**FISCAL IMPACT
REPEAL**

- Establishes Section 8E.211, Code of Iowa, which does the following:
 - Establishes provisions for programs or projects established by an agency during fiscal years beginning July 1, 2004, through FY 2009.
 - Provides for a repeal of programs or projects funded by a State appropriation that fail to make substantial progress toward achieving the goals set out in the agency's strategic plan.
 - Requires the Department of Management (DOM) to review annual performance reports submitted by an agency to determine whether substantial progress has been made.
 - Permits the DOM to grant extensions of time or allow exceptions due to unforeseeable circumstances that may affect the achievement of substantial progress.
- Senate File 2292 may generate savings for the General Fund, however, an amount cannot be determined.
- Section 8E.211, Code of Iowa, is repealed July 1, 2014.
